Baby Equipment And Resources

The B.E.A.R. closet stands for Baby Equipment And Resource

Our goal is to help families who are in need of some extra assistance with the basic necessities for their little ones early in life.

“For I was hungry and you gave me something to eat, I was thirsty and you give me something to drink, I was a stranger and invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me”

Matthew 25:35-36

Equipment available covers many of the critical needs. We “loan” baby equipment and assist with essential baby items and clean used clothes from newborn to size 6. We also offer new car seats at a reduced price. If you need our help we are here...no one is turned away.
